DENESHRAJA N

Frontend Developer | Portfolio: deneshportfolio.vercel.app
Chennai | +91 9342372731 | deneshraja235@gmail.com | linkedin.com/in/deneshraja-n-a28666304 | github.com/Denesh-developer

PROFESSIONAL SUMMARY

Frontend Developer and Bachelor of Computer Applications graduate (2025) skilled in HTML5, CSS3, JavaScript, and React.js for building responsive, user-friendly web interfaces. Shipped CheyyarHub, a live React and Firebase web app with Google sign-in and Firestore data, deployed on Vercel, and built a browser-based 3D town game and a bus timetable web app for the same town. Three-time first-prize winner at state and international technical events, with hands-on experience in system and network administration. Seeking an entry-level Frontend Developer role to apply web development skills and contribute to real-world products.

EDUCATION

Bachelor of Computer Applications – 76% Ranipet, Tamil Nadu
Adhiparasakthi College of Arts and Science | 2022 – 2025

Higher Secondary Certificate (HSC) – 72% Cheyyar, Tamil Nadu
Indo American School | 2020 – 2022

Secondary School Leaving Certificate (SSLC) – 72% Cheyyar, Tamil Nadu
Municipal High School, Giritharanpet | 2019 – 2020

PROJECTS

CheyyarHub – Community web app
Live | GitHub
- Built and deployed a hyper-local community social app for Cheyyar using React.js (Vite) and Firebase, hosted live on Vercel.
- Implemented secure Google sign-in with Firebase Authentication and stored application data in Firebase Firestore.
- Developed posts, follow, chat, notifications, explore/search and a developer panel with verified badges; integrated Cloudinary for image uploads and polished the UI/UX.
- **Tech Stack:** React.js, Vite, Firebase (Authentication, Firestore), Cloudinary, Vercel

Cheyyar 3D Town (Namma Cheyyar) – Browser-based 3D multiplayer game
Live | GitHub
- Built an explorable 3D model of Cheyyar town in a single HTML file, with landmarks such as the bus stand and the I-MAX theatre lobby.
- Designed interactive gameplay: box office and ticketing, theatre seats and screens, drivable vehicles, collectible coins and a points system.
- Added online multiplayer using Firebase Realtime Database with anonymous authentication, and optimised controls for mobile screens.
- **Tech Stack:** HTML5, CSS3, JavaScript, Firebase Realtime Database

Cheyyar Bus Timetable – Local bus timings web app
Live | GitHub
- Built a web app that lists Cheyyar bus stand routes and timings, using data organised from an Excel sheet of all routes.
- Restyled the interface to match the CheyyarHub design language, with animations and smooth transitions.
- **Tech Stack:** HTML5, CSS3, JavaScript

HackTech Gadgets Store – Full-stack e-commerce web application
GitHub
- Built a storefront with product catalog, shopping cart, customer authentication, and an admin inventory dashboard.
- Implemented product management and backend functionality using PHP and MySQL.
- Designed a clean frontend interface for presenting product details.
- **Tech Stack:** PHP, MySQL, JavaScript, HTML, CSS

EXPERIENCE

System Administrator – Voltech Engineers Private Limited Chennai, Tamil Nadu
Operational IT support May 2026 – Present
- Maintain system infrastructure, server uptime, and operating system health across operational departments.
- Troubleshoot hardware and network issues to keep daily operations running smoothly.

RELEVANT SKILLS

Frontend Technologies: HTML5, CSS3, JavaScript, React.js
Web Development: Responsive Web Design, Semantic HTML, Flexbox, UI Development
React Concepts: JSX, Components, Props
Programming Languages: Python, PHP, C
Database & Cloud: MySQL, Firebase Firestore, Firebase Realtime Database, Firebase Authentication
Tools & Platforms: GitHub, Vercel, Firebase, Cloudinary, VS Code, Android Studio
Other Skills: Computer Office Automation, English Typewriting, Tamil Typewriting

ACHIEVEMENTS

- **1st Prize** – State Level Technical Symposium CyberTech, Paper Presentation, Thiruvalluvar Arts and Science College.
- **1st Prize** – International Conference on Emerging Trends in Data Science & IT Meet 24, Web Designing, KMG College of Arts and Science.
- **1st Prize** – State Level Technical Symposium TechFest, Web Designing, Indo American College.

ADDITIONAL QUALIFICATIONS

Higher Grade Typewriting – English and Tamil | Computer Office Automation – Passed
